

**Teaching schedule for the students of first MBBS (First term) NAMO Medical Education & Research
Institute Silvassa**

Day & Time	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
9 to 10 AM	Biochemistry	Demonstration	Physiology	Demonstration	Biochemistry	Gross Anatomy- Lecture
10 to 11AM	Biochemistry	Histology- Lecture	Physiology	Embryology- Lecture	Physiology	Gross Anatomy- Lecture
11 AM to 12 Noon	Physiology	Gross Anatomy- Lecture	Physiology	Gross Anatomy- Lecture	Physiology	Histology Practical (C batch) / Dissection (A & B batch)
12 to 1 PM	Physiology	Dissection	Biochemistry	Dissection	Physiology	
1 to 2 PM	Lunch Break					
2 to 3 PM	Practical by Students Batch	Histology Practical (A batch) / Dissection (B & C batch)	Practical by Students Batch C:Amphibian lab Batch A:Hematology lab Batch B:Biochemistry lab	Histology Practical (B batch) / Dissection (A & C batch)	Practical by Students Batch B:Amphibian lab Batch C:Hematology lab Batch A:Biochemistry lab	
3 TO 4 PM	A:Amphibian lab Batch B:Hematology lab Batch C: Biochemistry lab					
4 to 5 PM	Viva / Tutorial / Seminar/ Group dissucusion/MCQ	Dissection (A,B,C batch)	Viva / Tutorial / Seminar/ Group dissucusion/MCQ	Dissection (A,B,C batch)	Viva / Tutorial / Seminar/ Group dissucusion/MCQ	

Batch-A:- Roll No. 1 to 60, Batch-B:- Roll No. 61 to 120, Batch-C:- Roll No. 121 to 177
